

All scholarship awards are applied through Financial Aid to your student account on the 10<sup>th</sup> day of the Fall semester following the School of Communication COM Week Awards Ceremony. No checks are awarded to recipients by the School or Foundation. To determine the impact of a scholarship on your financial aid package, you should review the Student Portal for changes to your aid package and then contact your Financial Aid Advisor if you have further questions. Please note: Scholarship awards will not be applied to your student account until a thank you note to the scholarship donor is received in the School of Communication office and all scholarship requirements have been met. Graduating Seniors in May and August 2017 are ineligible for scholarships and awards.
