

Elective Course Options for Public Relations Majors – Fall 2023

Important Notes:

1. **If a course is required for your major, it cannot also count as an elective** in your Public Relations plan of study. You can find a checklist for your specific major sequence from the [University Catalog](#).
2. **Double check all prerequisites on [Course Finder](#)** to make sure you are eligible to enroll in a particular course.
3. Courses not included on this list are major-blocked for students in other Communication majors as of this time. If you are interested in these courses, you are welcome to submit an override request. Requests will be reviewed around finals week, so it is recommended that you enroll in an alternate course.
4. Override requests into full courses are not considered. If you are in immediate need of a specific course for graduation, please contact your academic advisor.
